MOTION+DRIVES GROUP PAVILION

International professionals join forces at HANNOVER MESSE 2023

HOME OF INDUSTRIAL PIONEERS

THE POWER OF SMART DRIVE TECHNOLOGIES

The new Motion+Drives Pavilion is the perfect place for dealers and manufacturers of drive and control technology to present themselves at HANNOVER MESSE 2023.

HANNOVER MESSE features the world's biggest concentration of suppliers of power transmission and fluid technology, components and systems. Especially in 2023 – when drive and fluid technology again take center stage at HANNOVER MESSE – the new Motion+Drives Pavilion is the ideal platform for generating new leads, exchanging ideas and networking with peers.

Exhibiting at the Motion+Drives Pavilion puts your company in the spotlight with minimal effort, because it saves time and reduces costs while still reaching your target groups and providing excellent services in a business-friendly atmosphere.

MOTION +DRIVES

Furthermore, all exhibitors have access to the M+D Lounge, where they can relax, network with colleagues and hold one-on-one meetings with customers. Complimentary hot and cold beverages and snacks are available throughout the event. Plus, exhibitors at the Motion+Drives Pavilion benefit from iMotion and HANNOVER MESSE marketing and public relations activities.

GOOD REASONS TO EXHIBIT AT HANNOVER MESSE:

- Access established and emerging markets
- Showcase products to decision-makers from around the globe
- Generate international sales
- Identify potential joint-venture partners
- Increase global awareness of your company
- Evaluate global competition
